

Cheshire and Stockport Science Learning Partnership

## Primary Science Teacher Newsletter February 2018 (1)

This week we are celebrating STEM clubs; in fact 5-10 February is STEM clubs week and there are lots of ways to get involved:

If you are looking for ideas for activities – here are a few possible sources:

[http://www.astrospacechallenge.com/?utm\\_content=buffer91ef2&utm\\_medium=social&utm\\_source=twitter.com&utm\\_campaign=buffer](http://www.astrospacechallenge.com/?utm_content=buffer91ef2&utm_medium=social&utm_source=twitter.com&utm_campaign=buffer)

<https://www.britishteachers.org/plan-your-activities/activity-packs/>

There are lots of ideas from previous years, neatly separated by suggested age

How about getting pupils to design a poster – competition here:

<https://www.britishteachers.org/plan-your-activities/poster-competition/>

<http://bpes.bp.com/science-explorers/>

<https://www.allaboutstem.co.uk/stemnet/clubs/six-week-stem-club/>

If your pupils/you are keen on dinosaurs check out this resource where you can make hand puppets

<http://www.bgs.ac.uk/discoveringGeology/time/puppets/home.html>

And how about this one: making dinosaur eggs to hatch!

<https://www.steampoweredfamily.com/activities/hatch-dinosaur-eggs-with-science/>

We'd love to hear what you are doing in your STEM clubs; so please do get in touch.
